

The OpenChain Japan Work Group meeting

Date: February 22nd, 2018 (10:00-12:00)

Venue: Hitachi Shinagawa HQ, JR Shinagawa East Building 20F Hall A

Overview:

- (1) 22 people from 10 companies/organization attended the meeting. There were active exchange of ideas and opinions about
 - (1-1) how we proceed with the activities of the OpenChain Japan WG
 - (1-2) the OpenChain conformance certification
 - (1-3) OSS compliance for software developers.

- (2) Next meeting (3rd meeting) will be held at Wonder Lab Osaka of Panasonic Corporation on Apr. 19 (THU) 2PM-5PM. It was proposed to hold a lightening talk session in the meeting to facilitate exchange of information and many participants supported the idea. 4th meeting will be held at Nagoya Office of Toyota Motor Corporation in June.
